Christmas Fundraising

We will soon be commencing fundraising activities in nursery, if you have any ideas or wish to help out please speak with Kim / Donna. Funds raised will be used for our Christmas Party.

Pram Shed

Please can you fold buggies or prams to store in the Shed so we have room for everyone. We will have a tidy up and try to make some more space but as there are lots of new children and more parents using buggies in this weather we really do need everyone to work together and fold buggies. One child's pram had to be left outside and got soaked through! Thanks for your help.

Parents' Forum

Our next meeting will be on Wednesday 23 November from 6 - 7 pm. All parents are invited to attend and we will provide extended childcare for the meeting. The meeting will give parents a chance to meet each other, discuss childcare issues and nursery news. We would like to review our Mission Statement and Aims and carry out some Nursery Monitoring. Tea and coffee for the parents and dinner for the children will be provided - hope to see you there!!

Nursery Clothes

One of the benefits of Nursery is the opportunities for all types of play, including sensory play which is particularly important in the birth to 3 age group. We also encourage outdoor play and creative skills, which I'm sure you understand can result in clothes becoming dirty and/or stained. Staff do not want children's clothes to become spoiled, and we make every effort to avoid this, including special paints that are supposed to wash out. We would ask you to support your children's learning and development, and to not put their "best" on! As nursery cannot be responsible if something becomes damaged. To make things quick and easy in the mornings why not purchase a uniform. (On display in Reception if you wish to try on for size!)
